PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 289A at Cotulla, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 289A to Cotulla, Texas, as that community's first competing commercial FM service. The FCC data base currently shows Channel 242A as a vacant allotment at Cotulla. Cotulla is an incorporated city with a population exceeding 4,410 people and is the county seat of La Salle County. Cotulla has its own mayor, Paulo Gonzalez, its own fire department, its own city hall, the Cotulla City Hall, its own post office, school district and a number of local churches.

Should this petition be granted, and Channel 289A be allotted to Cotulla, Texas Petitioner will apply for Channel 289A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
